

COLOR OPTIONS

Here at American Steel Garages, Inc, you have 15 colors to choose from when designing your building. You can change the color of your roof, side, ends & even your trim color. Make the building truly yours.

There are no additional fees for multiple colors** on one building.

*Color chart is for representation only and should not be used for exact color match. Color samples are available upon request.

**Additional charge for Vertical Colonial Style.
